PER CURIAM:

Justice Energy Company, Inc., appeals the district court's orders imposing civil contempt fines, denying reconsideration, and dismissing the action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *See James River Equip.*, *Va.*, *LLC v. Justice Energy Co. Inc.*, No. 5:13-cv-28160 (S.D.W. Va. Jan. 29, 2018; Aug. 4, 2016; Feb. 25, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
